

Hello Members!

Are you ready for a 3-day golf outing at the beach? We've signed a contract with the Bahama House in Daytona Beach Shores for a stay and play package. This is an oceanfront hotel where several other ASGA chapters have had events and I've heard nothing but great reviews. The dates are Friday thru Sunday, October 7-9. The package includes 2 nights at the hotel and a choice of playing all three days or just two.

When this was presented to the Board earlier in the month we had thought we would be playing at one of the LPGA courses, but unfortunately they are having a tournament all week so it needed to be changed. Here's some information on the courses:

SPRUCE CREEK COUNTRY CLUB - 1900 Country Club Drive, Port Orange

<https://www.sprucecreekclub.com> (Approximately 30 minutes from the hotel)

The 18 hole championship golf course, designed by Bill Amick, has proven a challenge to all skill levels. The course offers almost 6,900 yards of carefully designed fairways, bunkers, and lakes. Thoroughly surrounded by one of Florida's largest land preserves, water comes into play on only two holes on the course. The front nine winds along the historic Spruce Creek, and is bordered by majestic southern oaks. The back nine offers gorgeous views, where wind and water challenge your play.

HALIFAX PLANTATION GOLF CLUB - 3400 Halifax Clubhouse Drive, Ormond Beach

<https://www.halifaxplantationgc.com> (Approximately 35 minutes from the hotel)

Come enjoy a unique golfing experience along the scenic Old Dixie Highway! Located near historic Bulow State Park, Halifax Plantation Golf Club was designed by highly respected golf course architect Bill Amick. The 7,128 yard course was created to excite the average golfer while challenging the expert with its choice of five elevated tee boxes and trapped, pristine greens. Century-old oaks and pines surround the picturesque fairways, expansive driving range and putting greens.

DEBARY GOLF & COUNTRY CLUB, 300 Plantation Club Drive, DeBary

<https://www.debarycc.com> (Approx 45 min from the hotel on your way back to Tampa Bay)

In this Lloyd Clifton Design, most holes are set away from the community by a buffer zone of dense woods and vegetation. The setting is more reminiscent of the Carolinas than Central Florida. That feel is strengthened by the lack of water, featuring just one water hazard that comes into play at the 9th and 18th greens. These finishing holes join together and create a beautiful backdrop to the luxurious clubhouse.

We'll be having contests at each course and working on dining options in the near future. Updates will be sent out as needed. We hope you'll join us! Additional details with pricing are on the attached registration form. If you have any questions about the package, please don't hesitate to contact me at: Charlene.Emmett@gmail.com, (727) 686-8533.
